Primary Years Programme

# READING OUTCOMES BY READING LEVEL AND AGE

## READING LEVEL AND AGE

## READING OUTCOMES

### READING LEVELS\* 1–15: READING AGE (YEARS) 4.5–7

#### READING LEVELS 1–8: READING AGE (YEARS) 4.5–6

Students can:

- enjoy listening to stories
- make personal text choices and share reasons for the choice
- recall significant events from a shared story
- recognise common words in print
- engage actively in shared reading experiences
- make connections between characters, situations and life experiences
- read short, predictable texts with known language and supporting illustrations
- apply an emerging knowledge of print, sounds and letters to begin to read independently
- identify rhyme, sounds and patterns in texts.

#### READING LEVELS 9–15: READING AGE (YEARS) 6–7

Students can:

- maintain engagement during read aloud sessions and respond to closed questions
- read aloud with developing fluency
- apply knowledge of sounds, sentences, common words and punctuation when reading aloud
- make predictions and summarise consequences
- understand that choice of reading matter is influenced by personal interests
- self correct when reading out loud
- draw on background knowledge to make inferences and predictions
- choose and re-read favourite texts
- understand language conventions in written texts
- discuss characters and settings of texts, explore how language is used to present these
- differentiate between literal and implied meaning.

### READING LEVELS 16–25: READING AGE (YEARS) 7–8

Students can:

- sustain listening during read-aloud sessions, making predictions and responding to questions
- understand sound/symbol connections and apply this knowledge to decode unfamiliar words
- develop and apply contextual knowledge
- with guidance, discuss different texts on a topic and identify similarities and differences between the texts
- identify the parts of a simple sentence that represent 'What's happening?', 'Who or what is involved?' and the surrounding circumstances
- engage in wide reading of self-selected and teacher-selected texts
- identify features of texts from different cultures, using cues such as language patterns, vocabulary and illustrations
- participate in guided reading activities, observing and applying reading mannerisms and interacting with the group
- develop personal reading preferences that include fiction and nonfiction choices
- identify and explain the structure of a story
- inquire and wonder about the intent of a text.

### READING LEVELS 26–30+: READING AGE (YEARS) 8–9

Students can:

- engage in a variety of texts for enjoyment
- draw on an increasing range of skills and strategies to fluently read, view and comprehend a range of texts on less familiar topics
- access texts that describe increasingly complex sets of events spanning multiple pages and connect unknown experiences to prior understandings
- access appropriate informative texts to develop new understandings
- read appropriate level texts independently and with clear understanding
- identify the elements of a story: beginning, middle and end
- engage in character analysis and identify reasons for personalities, actions and interactions
- inquire and wonder about texts and what the author may be conveying
- acknowledge that different texts create different personal responses
- develop early research skills such as skimming a text for the broad message and seeking specific information from headings, illustrations and key words
- engage with a range of texts including poems and plays.

\* Reading levels aligned to Reading Recovery criteria

# CONTENTS

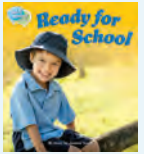

Resources mapped to the transdisciplinary themes:

Who we are	01
How the world works	05
How we organise ourselves	10
Sharing the planet	12
Where we are in place and time	17
How we express ourselves	19

Who we are	An inquiry into the nature of the self, beliefs and values; personal, physical, mental, social and spiritual health; human relationships including families, friends, communities and cultures; rights and responsibilities; what it means to be human.
How the world works	An inquiry into the natural world and its laws; the interaction between the natural world (physical and biological) and human societies; how humans use their understanding of scientific principles; the impact of scientific and technological advances on society and on the environment.
How we organise ourselves	An inquiry into the interconnectedness of human-made systems and communities; the structure and function of organizations; societal decision-making; economic activities and their impact on humankind and the environment.
Sharing the planet	An inquiry into rights and responsibilities in the struggle to share finite resources with other people and with other living things; communities and the relationships within and between them; access to equal opportunities; peace and conflict resolution.
Where we are in place and time	An exploration of our orientation in place and time; of our personal histories and geographies; homes and journeys; the discoveries, explorations and migrations of humankind; the relationships between and the interconnectedness of individuals and civilizations. from local and global perspectives.
How we express ourselves	An inquiry into the ways in which we discover and express ideas, feelings, nature, culture, beliefs, and values; the ways in which we reflect on, extend and enjoy our creativity, our appreciation of the aesthetic.
